Chris,

Joe Rotola may be calling you as some point today. If does not call you for some reason I will try to get back to you before the end of the day.

Thanks, Tom

Hello Tom,

I think a good initial contact for UB would be Katie Little, she is the Tonawanda Coke Soil Study Project Administrator. If she can't give you info on the air monitoring setup they have at TCC I'm sure she can connect you to the right person. Her contact info follows:

Katie Little
